Part III DETAILED ACTION

Allowable Subject Matter

1. Claims 13-25 are allowable over the prior art of record.
2. The following is an Examiner's statement of reasons for the indication of allowable subject matter:

Claims 13-25 are allowable over the prior art of record. The applicants teach a text-to-speech conversion system for interlocking with multimedia comprising: "a multimedia information input unit for organizing text, prosody information on synchronization with a moving picture...a dat distributor... a language processor... a prosody processor... a synchronization adjuster... a synthesis unit database for receiving the individual property information... a signal processor... a picture output apparatus...". The prior art fails to show or fairly suggest the claimed combination of features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2741
